

Democratic vote in several of the Southern States, notably in Virginia and North Carolina.

Mr. Bryan carried Wisconsin by a plurality estimated at 75,000, a falling off from the Roosevelt plurality of 150,000 in 1904.

Kentucky has gone safely for Mr. Bryan by about 15,000.

Representative W. S. Cowherd has been elected Governor of Missouri over Hadley (Republican) by about 20,000. Governor John A. Johnson, of Minnesota, has probably been elected Governor of that State for a third term, although the State has gone safely for Mr. Taft. The voting throughout the country has been exceptionally heavy, ideal weather conditions bringing out the country voters in full force.

Mr. Taft carried practically every so-called doubtful State except Nebraska, where the indications point to a Democratic victory.

Mr. Bryan carried Nevada and Montana in addition to the Solid South, which includes Missouri.

Returns from Colorado are too meagre to form a definite conclusion as to its ultimate alignment.

Tennessee by 26,000.

NASHVILLE, TENN., November 4.—Bryan's victory in Tennessee in yesterday's election will be about equal to that of Parker four years ago, something over 35,000. The Democratic State ticket, led by Governor H. H. Harris, has been elected by about 25,000. The congressional delegation remains unchanged, with eight Democrats and two Republicans, but N. W. Hale, Republican incumbent in the Second, is apparently defeated by Richard W. Austin, also Republican.

PAIK IS DEFEATED. KANSAS CITY, MO., November 3.—Returns from all parts of the State show that Governor Palk has been defeated by Senator Stone in the ballot for United States Senator.

Both Claim Wyoming.

CHEYENNE, WYO., November 3.—Incomplete returns show large Democratic gains, both State and congressional. The State by a small majority, Laramie county, usually Republican by over 1,000, will go strongly Democratic on the county ticket and probably for Bryan.

Oklahoma Democratic.

GUTHRIE, OKLA., November 3.—Oklahoma has continued loyal to the Democratic party, but the returns have been reduced materially, and Bryan's lead is estimated at 25,000. The members of Congress, too, Democrats and one Republican, have been elected. The Legislature is two-thirds Democratic, insuring the re-election of United States Senator Thomas P. Gore.

Taft Carries Baltimore.

BALTIMORE, MD., November 3.—That Baltimore city is a solid Bryan town, the Democrats have elected Gill, Talbot and Covington to Congress and the Republican Madsen Mayor. It is all that can be said with any degree of certainty well after midnight.

South Carolina's Big Vote.

COLUMBIA, S. C., November 3.—South Carolina will give Bryan about 50,000 to 60,000 majority, while the State and congressional tickets are overwhelmingly Democratic. Later returns will not change the result in this State. Socialists and Independence League polled a very small vote.

West Virginia in Dispute.

WHEELING, W. VA., November 3.—Wheeling is in a ferment of excitement following the closing of the polls. A tremendous vote has been polled, not only in Wheeling, but throughout the State. Early returns, incomplete, show Democratic gains, but not as yet in sufficient volume to overturn the Republican majority of 31,550 of four years ago. It will be even closer for Glascock (Republican) and Bennett (Democrat) for Governor.

The Republicans claim the State for Taft by a large majority—the entire State ticket and all Congressmen.

The Democrats declare the returns are not yet in sufficient volume to justify making claims either way, though they express confidence that the State will go for Bryan and that the State ticket will win by a large plurality.

The national ticket, too, will probably be decided by the vote in this State, so far as can be learned at an early hour to-night.

Florida Is Solid.

JACKSONVILLE, FLA., November 3.—The election in Florida resulted in the usual Democratic majorities of from 15,000 to 20,000. Owing to the slow count of the long ballot, however, actual figures cannot be given to-night.

Bryan Swept Louisiana.

NEW ORLEANS, LA., November 3.—Bryan swept Louisiana to-day, the returns indicating a majority of 40,000. Governor (Democrat) was elected Supreme Court Justice and Polby Taylor (Democrat) was elected Railroad Commissioner. All candidates for Congress on the Democratic ticket were elected.

Reduced in Arkansas.

LITTLE ROCK, ARK., November 3.—Bryan has carried Arkansas by a reduced majority, according to scattered returns, as the result of a heavy negro vote throughout the State. All Democratic Congressmen were elected.

Wisconsin Is Solid.

MILWAUKEE, WIS., November 3.—Taft and Sherman have carried Wisconsin with a plurality estimated at 75,000 and Governor Dawson, Republican, has been re-elected by a plurality close to Taft's.

Lilly Wins in Connecticut.

NEW HAVEN, CONN., November 3.—Taft's plurality in Connecticut will exceed 25,000. Lilly, Republican, for Governor, will have over 15,000 plurality over Robertson, Democrat.

Republicans carry complete State ticket and probably hold their usual majority in the Legislature. All five Republican Congressmen are re-elected.

Maine Estimated at 35,000.

PORTLAND, ME., November 3.—Two hundred cities and towns, including fifteen cities, for President in Maine out of 520, give: Bryan, 30,889; Taft, 36,208; Republican gain, 1 per cent; Democratic, 30 per cent. On this basis Republican plurality in Maine is estimated at about 35,000.

Carries Maryland.

The latest Republican advices are that Taft has carried Maryland by about 3,000.

Democrats Elect Governor.

At 1 o'clock it seemed that Taft would have slightly more than a normal Republican plurality of close to 50,000, while Harris, Republican for Governor, was defeated. The figures at that hour were for the election of Harrison, Democrat, by 15,000.

The early indications as to plurality Taft were cut down as fuller returns came in, but still the Republican candidate seemed to have a safe lead.

## Bony's for Clothes

Well, it's all over and we've all done our best.

Now let's get down to business.

To-day we open an assortment of after-election hats.

Also a special line of all-American suits that will help console you if your candidate has lost—help you celebrate if he's won.

Just come and see.

O. H. Bernasco

MEN & BOYS SUITERS

For the governorship the early reports were unfavorable to Harris, Republican incumbent.

Bryan Carries Kentucky.

LOUISVILLE, KY., November 3.—Bryan's plurality in Kentucky, 13,000; eight, and possibly nine Democratic Congressmen elected. A Republican loss of two seats. This is the probable story of the election in Kentucky at the close of a day which was marked by the heaviest rain in the history of the State.

Connors Gives Up.

At 11 o'clock Democratic State Chairman William J. Connors, who, after prominent Democrats, had received the State returns at State headquarters, said: "I concede the election of Taft and Hughes. Taft pulled Hughes through. Chandler ran ahead of the rest of the ticket. We did very well up-State, but I thought we would do better in the Greater New York. All in all, I am glad to see the result. The remainder of the State ticket, it looks as though it would follow the head and be defeated."

Taft Carries Indiana.

INDIANAPOLIS, IND., November 3.—Early returns from to-day's election in Indiana indicate that William H. Taft carried the State by from 9,000 to 15,000 plurality. The returns are mostly from cities and towns, and later reports may increase his plurality. Thos. R. Marshall, Democratic candidate for Governor, at 10:30 o'clock to-night was leading his Republican opponent, James E. Watson, by 5,000 votes. The Republican State Committee says the vote in the rural districts will overcome this lead.

Run Johnson Close.

ST. PAUL, MINN., November 3.—While Taft carried the State by probably 50,000, the governorship in Minnesota hangs in the balance, the result being so close that both Chairman Day, of the Democratic State Committee, and Brown, of the Republican State Committee, claim the State by small majorities.

Up to Republicans.

ATLANTA, GA., November 3.—In an interview, Mr. Clark Howell, of the Democratic committee, concedes the election of William H. Taft. Mr. Howell gave the Associated Press the following statement:

"It is a landslide for Taft. Mr. Bryan has made a wonderful campaign, but he could not overcome the prevailing idea that business conditions would be adversely affected by Republican defeat. It is now up to the Republicans to make good their pledge to restore prosperity, for to that pledge they must attribute their success more than to anything else. Mr. Taft, is a big, broad, patriotic American, and he will be fair and just to the South."

"As to Georgia, it is safely for Bryan by about 20,000 majority."

Missouri for Bryan.

ST. LOUIS, MO., November 3.—Missouri gave its election vote to Bryan. J. Bryan by a plurality estimated at 50,000 to 55,000. The governorship is in doubt, carries the State by 1,000. The leading Democrat, Herbert S. Hadley (Rep.), is running behind Bryan, and there is a possibility that he is defeated.

Lamb Holds Out.

CHICAGO, ILL., November 3.—Midnight at this hour John E. Lamb, vice-chairman of the Democratic National Committee, in charge of Western headquarters, refusing to admit defeat, issued the following statement: "I do not care to estimate the probable final result, although we do not concede anything. It looks as though we had won Montana, Nebraska and Colorado. We have not enough from Ohio, West Virginia or Maryland to give any indications."

Tokio Announces Election.

TOKIO, November 3.—The announcement of the election of Taft was received at Tokio with much interest. The local papers issued extra editions, and the news of the election was made known through the Associated Press.

Landslide in Jersey.

TRENTON, N. J., November 3.—Revised returns up to midnight indicate that Mr. Taft's plurality in New Jersey will be between 65,000 and 70,000. In all the counties outside Hudson county, the vote did not vary greatly from the plurality given Mr. Roosevelt in 1904. Roosevelt's plurality of 25,000 in Essex was expected to be cut down to about 15,000 for Taft. In Hudson County, however, the vote was expected to be increased to about 15,000 for Bryan. The Republicans elect seven of the nine Congressmen, the Sixth District, which is now represented by a Democrat, being very close and in doubt.

Four Hours to Vote.

Clay Ward Citizen Had Trouble, but Succeeded. Adjusted.

W. C. Pond, a voter in Clay Ward, went to the Second Precinct polls yesterday morning, expecting to vote as usual. He found, however, that his name had been crossed out and the inscription "P. Roll" inscribed behind it. He asked the meaning

of the inscription and the fact that his name was crossed out, but the officials could not tell him, and, according to his story, did not seem much to care. He was refused. Then he went to the City Hall and called on Judge Wilson, who could not explain the meaning of the inscription and could do nothing for him.

Words followed between the two and Mr. Pond left determined more than ever to cast his ballot. He called on Mr. Clyde Saunders, who informed him that "P. Roll" was the name of the permanent roll of voters, all his taxes having been paid. Mr. Saunders then made it his business to tell Mr. Pond that he was able to vote, and he did—four and a half hours after he had started.

It seems that Mr. Pond had moved from his precinct to another, but had not been transferred, but that he was still entitled to vote.

HUGHES GRATIFIED

He Promises Renewed Zeal in the Service of the People.

ALBANY, N. Y., November 3.—Commenting on the result of the election, Governor Hughes said to-night that he was deeply gratified by the success of Mr. Taft, and by our victory in this State, as indicated by present returns. "We all those who have labored so earnestly in support of my candidacy. I wish to express my warmest appreciation. With this expression of the confidence of the people I shall devote myself with renewed zeal to their service."

JUDGE TAFT VOTES

Had to Present Certificate from Judge as to Residence.

CINCINNATI, O., November 3.—William H. Taft cast ballot 371 at 4:41 o'clock this afternoon at Precinct H, Second Ward, the polling place being a plumbing shop at 2009 Madison Road. It required three minutes for Mr. Taft to cast his ballot after going into the booth. A flashlight beam was taken of Mr. Taft entering the voting place and another as he departed.

Before voting Mr. Taft presented Election Judge Brewer with a letter from the Board of Election Supervisors, containing the direction that Mr. Taft's vote would be legal if cast in that precinct.

The decision was based on the fact that Mr. Taft's last residence in Cincinnati was at the old Walker home, near the voting place, the residence of which has since been destroyed.

Judge Taft at 9:30 sent the following telegram to Frank H. Hitchcock: "I am delighted to hear the favorable returns from all parts of the country, and especially New York, and I wish to express my gratitude to you for the work which you have done and felicitate you on the returns, indicating a clear grasp and wonderful political knowledge of the situation."

"WM. H. TAFT."

GET LITTLE COMFORT

Democratic Headquarters Early Reached and the Fight Was Lost.

NEW YORK, November 3.—At 10:30 o'clock, November 3, the Democratic national headquarters shortly before 6 o'clock, Chairman Mack arriving from Buffalo about that time, in company with State Chairman Connors. In a little room overlooking Broadway, and through the window of which a tremendous din came from shouting, horn-blowing crowds that surged through the street below, the election bulletins were received by telephone and telegraph. In the room with Mr. Mack, in addition to Vice-Chairman Hudson, and a number of party leaders, were Mrs. Mack and others.

The first bulletin that came in was from Buffalo, the home of the national chairman, and it showed that Taft was leading Bryan. This was quickly followed by bulletins from Syracuse, Rochester, Elmira, Watertown and Albany, in the order named, all of which gave Taft a lead over his opponent.

Shortly after a dispatch came from Cincinnati, claiming a plurality of 5,000 for Bryan in that city, and this was regarded with satisfaction.

As district after district throughout the State and Greater New York showed Taft steadily leading Bryan, it seemed apparent to the leaders that the Democracy stood small chance of carrying the Empire State, and news from the West was anxiously awaited.

Chairman Mack at 8:30 refused to comment upon the situation, saying that he would not give out a statement until he had received the returns from Illinois, Indiana, Ohio and other Western States.

State Chairman Connors at 8 o'clock issued a statement claiming New York for Taft by a plurality of 45,000, by saying that Bryan had lost the State.

"While it is too early to give exact figures," said the chairman, "Chandler is making gains in many counties among them Jefferson and Erie. His plurality in Manhattan and the Bronx will be from 35,000 to 50,000, while in Brooklyn he will get 20,000."

"Down to the Bronx I concede Hughes a plurality of 70,000. Taft will carry the State."

At Democratic State headquarters there was the feeling of anxiety for the State.
